PRO-CHANCELLOR'S MESSAGE

TODAY THERE IS A HUGE REQUIREMENT OF SKILLED MANPOWER IN THE INDUSTRY

Dear SUAS community, As we step into another exciting month at Symbiosis University of Applied Sciences (SUAS), I am proud to share the incredible progress we are making in shaping the future of skill-based education. Our commitment to bridging the industry-academia gap continues to grow stronger, and this month marks a significant milestone in our journey. We continue to celebrate the achievements of our students, faculty, and industry partners who drive the success of our skills-first approach to education. As the world evolves, we must embrace continuous learning and adaptability to stay ahead and lead with confidence. Wishing you all a productive and inspiring month ahead!

DR. SWATI MUJUMDAR
PRO-CHANCELLOR

SYMBIOSIS UNIVERSITY OF APPLIED
SCIENCES (SUAS), INDORE

PROF. DR. VINITH KUMAR NAIR
VICE-CHANCELLOR
SYMBIOSIS UNIVERSITY OF APPLIED
SCIENCES (SUAS), INDORE

VICE-CHANCELLOR'S MESSAGE

Dear SUAS community, Symbiosis University of Applied Sciences, Indore, is the first Skill Development University with unmatched innovations in curricula to generate a steady stream of skilled, industry-ready professionals for high-growth sectors such as banking, financial services, insurance, retail, e-commerce, IT, automobile engineering, and mechatronics. To meet this need, the university was established by the Government of Madhya Pradesh under the Madhya Pradesh Niji Vishwavidyalay Adhiniyam, 2007. It promotes critical thinking, project-oriented and case-based learning, focusing on practical skills rather than theory-based inputs. Founded in 2016, the university is a key addition to Indore, now the educational hub of Central India. With a sprawling campus, state-of-the-art facilities, and full-service boys' and girls' hostels, it is a top choice for students. Emphasizing skills and outcome-based learning as envisioned by the National Skills Qualifications Framework, the university ensures the development of future-ready professionals for industries world-wide.

INDUSTRY VISITS

BELONG TO THE
FUTURE UNIVERSITIES

Bridging the gap between academia and industry, first-year students from the School of Digital Media and Marketing had the unique opportunity to learn directly from industry experts at Webdunia.

Third-year engineering students from the School of CSIT, Symbiosis University of Applied Sciences, embarked on an enriching industry visit to Nway Technologies Pvt. Ltd., Indore. Accompanied by Dr. Sarla More and Mr. Lokesh Sahu, the students explored the dynamic work environment of a leading software company.

The School of BFSI organized an industry visit to the LIC-Indore Regional Office for BBA students. This visit provided valuable insights into different insurance policies and the claim settlement process, including operations and documentation. Students also learned about the substantial claim settlements processed by the office, amounting to ₹15+76 crore in the financial year.

The School of Automation and Robotics organized an industrial visit to Simplex Metal Processor Pvt. Ltd., Pithampur, on 12th February 2025. Students gained insights into metal processing techniques like cutting, bending, and surface treatment while observing advanced machinery for recycling, fabrication, and finishing. The visit also highlighted safety protocols and sustainability practices, enhancing their understanding of real-world industrial applications.

The School of BFSI at Symbiosis University of Applied Sciences organized an industrial visit to Grant Thornton (GT) Indore, providing management students with firsthand exposure to the corporate world. This visit offered deep insights into financial consulting, auditing, risk management, and advisory services, helping students bridge their classroom learning with real-world applications.

The School of Retail at Symbiosis University of Applied Sciences organized an insightful industry visit to Diamond Bourse (Surat), Kesaria Textiles (Surat), and Amul Dairy (Anand, Gujarat). This initiative provided MBA and BBA students with hands-on exposure to industry practices, complementing their academic learning with practical insights into retail, textiles, and dairy operations.
