Dr. Yogita Mandhanya
Faculty - School of Retail Management

Organized by: School of Retail Management

The School of Retail Management organised an expert session on 13th November 2021 on "Recent Trends and Challenges in Marketing" focusing upon the preparation path for the students to take in from the beginning of their career. Ms. Shally Agarwal working as a Risk Analyst at American Express and a postgraduate from IIM Calcutta was the expert for the session. She discussed her journey and life experiences in the beginning. She also focused upon the dos and don'ts as a marketing student. She guided the students to be more creative, communicative and always have a problem-solving approach in any situation. Creativity and Research are more demanded in this new world focusing upon team building, leadership, fundamentals, values, integrity as well. Multitasking is the new buzzword. She concluded her session by discussing how students should prepare themselves for facing the interviews.

International Retailing and Investment opportunities in Africa

The School of Retail Management organised an expert session on 'International Retailing and Investment opportunities in Africa' on 16th November 2021. The expert for the session was Dr. Bharat Kulkarni founding director of Stalwart Management Consultancy Services, a consulting firm, and works as a consultant in policy advisory and development of agricultural value chains globally. The session started with an introduction of the expert followed by a welcome address. He started the session by drawing attention towards Africa as a continent and not as a country. He advised where the scope of investment opportunities is available and the regulatory framework followed. The session was concluded by presenting a token of remembrance and vote of thanks by Dr. Siddharth Bajpai. The event was organised by Dr. Yogita Mandhanya and Dr. Neetika Jain.

Parent-Teacher's Meet
