

ACTIVITY

Inspirational and Mentorship Session

The School of Interdisciplinary Sciences organized an inspirational and mentorship session on 6th October 2021. The session was conducted for the newly admitted students for Academic Year 2021-22 of all programs of various schools. Our beloved mentor Pro-Chancellor - Dr. Swati Mujumdar addressed the students. She shared the vision of our head of the Symbiosis family Chancellor sir – Padma Shree and Padma Bhushan Awardee Dr. S. B. Mujumdar “Vasudhaiv Kutumbakam”, explaining the universe is one and is our home. Also, each student is a part of the Symbiosis family.

She envisaged her vision of life “Skilling the nation through Education” and making students high on Employability Skills.

Consisting her note, she gave best wishes to the students and inspired them to be entrepreneurs of the coming world. Dr. Charul Jain, Dean Students' Welfare, moderated the session.

Industry Meet

On 6th October 2021, the School of Interdisciplinary Sciences conducted an Industry Meet. Mentor Pro-Chancellor – Dr. Swati Mujumdar welcomed 27 industry partners to discuss the topic "Skilling the nation and making them industry ready". Industry partners – Omni group, Yash Technologies, TCS, Munivesities, ICICI Bank, IndusInd Bank, HDFC Bank, Dainik Bhaskar Newspapers, MSME, MP-MSME, International Skills Development Corporation (ISDC), Fast IAS Academy, Rahul Precisions, Royal Enfield, Agroman and many more contributed to the discussion on “The importance of skills in the students and in the industry”.

An MOU was signed between “Innoeye Technologies, an Indian subsidiary of Rakuten Group Japan” and “Symbiosis University of Applied Sciences, Indore” to help students in all opportunities. Also, Symbiosis Indore will provide training to the company as and when required. Dr. Charul Jain, Dean Students' Welfare, moderated the session. The students of MBA BFSI I and II years, MBA Marketing I year coordinated the entire meet flawlessly.

ACTIVITY

Festivals Celebration

“Dewali”

The School of Banking, Financial Services and Insurance Management and Students' Council, Symbiosis University of Applied Sciences, Indore, jointly organized a cultural fest 'Illuminaire' on the occasion of Diwali on 29th October 2021, Friday from 10:30 am onwards.

The fest commenced with a Rangoli-making competition. 17 teams participated in the competition and showcased their skills and creativity. The winners were judged based on creativity, clarity, and expression.

The rangoli-making competition was followed by cultural performances from 1:30 pm onwards in the University Auditorium. The event commenced with the blessings of Maa Saraswati by lighting the lamp, followed by Ganesh Vandana. There were various dance performances (solo & group). It was followed by an excellent band performance presented by University students. After that, awards were given to the winners of the Rangoli-making competition.

The first position was bagged by Janhavi Sabnani and Mihi Chauhan, students of BBA BFSI III year. The second position was bagged by Atharva Vyas, a student of BBA- BFSI I year and the third position was secured by Jaya Gupta and Shreya Khetan, students of B. Com (Hons) I year.

“Garba”

The Cultural Committee of SUAS organized a 'Garba Celebration' on 12th October 2021 on the University campus. The students took the opportunity to showcase their skills both individually and in groups. It began with Vandana and Aarti by the Vice-Chancellor, followed by two group performances. Later on, the students performed in groups. Prizes were awarded in the following categories:

Best Performance (Male and Female)

Best Dress-up (Male and Female)

The event was organized and coordinated by Dr. Yogita Mandhanya, Dr. Mamta Thakur, Dr. Neetika Jain and Dr. Neha Gupta.

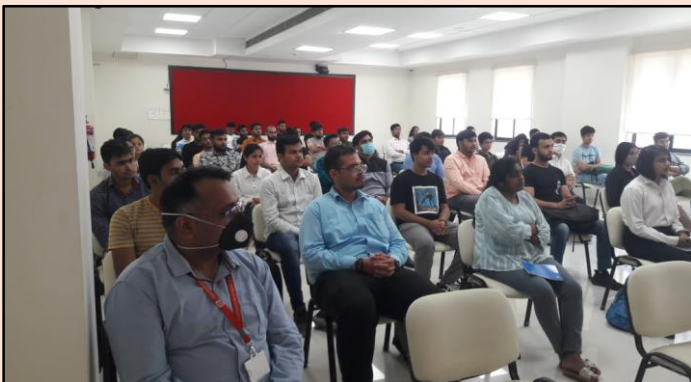

EXPERT TALK

A Mentoring Session for Students of MBA-BFSI

The School of Banking, Financial Services and Insurance Management, Symbiosis University of Applied Sciences, Indore organized “A Mentoring Session for Students of MBA-BFSI” on 23rd October 2021 from 2:00 pm onwards.

The expert of the mentoring session was Mr. Rituraj Singh Parmar, AVP, HDFC Bank Ltd. Mr. Parmar began the session by showing a video about the relationship between a jockey and a horse and through that video, he created a base on mentoring. He emphasized on building trust and relationships with employees, fulfilling employees' safety and psychological requirements, giving them respect, providing a good environment to work, and giving employees small targets and encouraging them. He also emphasized on developing leadership skills.

The event was an interactive and informative session that provided practical knowledge to the students for developing their skills in the industry. Participants raised many questions, and Mr. Parmar answered them all satisfactorily. The event was coordinated by Dr. Sunil Kumar, faculty of SBFSIM.

Retail Talk Series 7

The School of Retail Management

organised a webinar on 15th October 2021 in the concurrent

event of the Retail Talk Series. Industry expert Mr. Jitendra Kapoor, National Sales Head, DHL addressed the gathering. DHL International GmbH is an international courier, package delivery and express mail service, which is a division of the German logistics firm Deutsche Post. The company delivers over 1.5 billion parcels per year. The topic focused primarily on pre and post-pandemic supply chain logistics. He discussed the challenges ahead and the changing role of the supply chain process.

Mechatronics Design Thinking

The School of Mechatronics Engineering

held an Expert session on

“Mechatronics Design Thinking”

on 8th October 2021. Industry expert Mr. Vidit Katlana, BOWL, Ltd. took the session. During the session, students participated in the design thinking process and Mr. Vidit Katlana guided them about how to initiate the design process. All students from the I and III years participated in the event.
