

ACTIVITY

75th Independence Day Celebration

The 75th Indian Independence Day was celebrated on 15th August, 2021 (Sunday) at Symbiosis University of Applied Sciences, Indore with lot of vigor and enthusiasm to commemorate and pay homage to all the freedom fighters who fought a lot and the many who laid their lives for a free India.

Honorable Chief Guest, Mr. Rohan Saxena, MPIDC RO-Indore, and Mr. Amitabh Tewari, Centre Head, TCS, Indore were welcomed by our Hon'ble Vice-Chancellor, Dr. Charudatta Pathak and were escorted for the hoisting of the national flag.

The national flag was hoisted by Mr. Saxena with great honor and pride. All faculty members, staff members, and students were present on this occasion. After the flag hoisting, he addressed the gathering and paid tribute to the freedom fighters.

Mr. Rohan Saxena and Mr. Amitabh Tewari advised the staff members and students to be sincere toward their duties and studies respectively and contribute to the nation-building.

He emphasized the importance of skill development in the growth of the nation and cautioned that only knowledge acquisition will not be sufficient for the student's employability. There should be a paradigm shift in the traditional mindset of the people, and all the stakeholders should give immense importance to skill-building. Symbiosis University of Applied Sciences, Indore has taken initiative in the very right direction, and sooner or later other traditional institutions will follow suit.

E-Cell, "SymbiAspire" was inaugurated in the presence of Guests. Shri Amitabh Tewari, Guest of Honor, felicitated mentors of "SymbiAspire" club. To mark the occasion, cultural function on a patriotic theme was presented by the students of the university. Group songs, Solo songs, and dances, etc. were presented by students at the University's auditorium.

Certificate of acknowledgment and appreciation were given to the students of the School of BFSI, Retail Management, CSIT, Automobile, and Mechatronics for their outstanding contribution towards Startups.

ACTIVITY

“SymbiAspire” – The Entrepreneurship Club

A successful launch of The Entrepreneurship Club took place at the Symbiosis University of Applied Sciences, Indore on 15th August 2021. The E-Club was launched as “SymbiAspire” which truly inspires the “Symbians” to aspire ahead.

Symbiosis, Indore would provide a platform to the students to highlight and develop their entrepreneurial skills and business in the Entrepreneurship Club.

Chief guests, Mr. Rohan Saxena, Chairperson, MPIDC and team, Mr. Amitabh Tiwari, Head TCS, Indore along with Hon'ble Vice Chancellor, Dr. Charudutta Phatak, graced the occasion to mark the launch of the Entrepreneurship Club.

Twenty six students of the University have already launched their entrepreneurship journeys by registering their firms under the guidance of Dr. Ajit Singh Tomar, In-charge of the Entrepreneurship Club. Going forward, these students would become mentors to motivate the entrepreneurial spark in other students of the University.

The Entrepreneurship Club of the University provides a dedicated workspace with an internet facility, faculty mentors, and a conference room for brainstorming ideas to sow the seeds of entrepreneurship.

CONCLAVE

BFSI International Conclave on Career Opportunities in Financial Risk Management

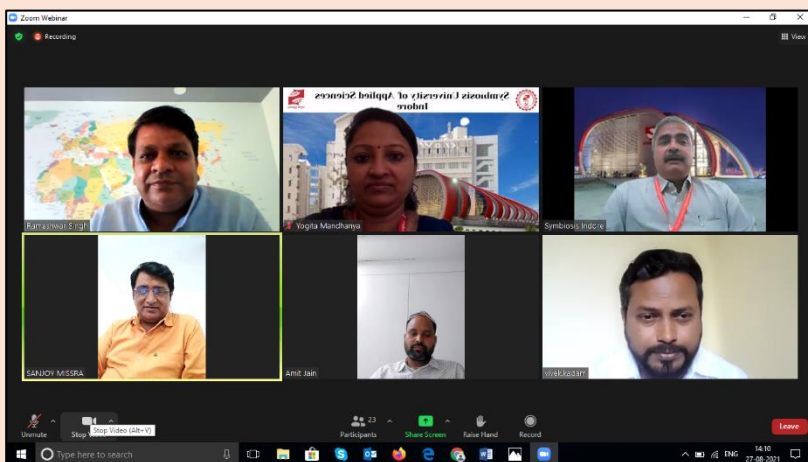

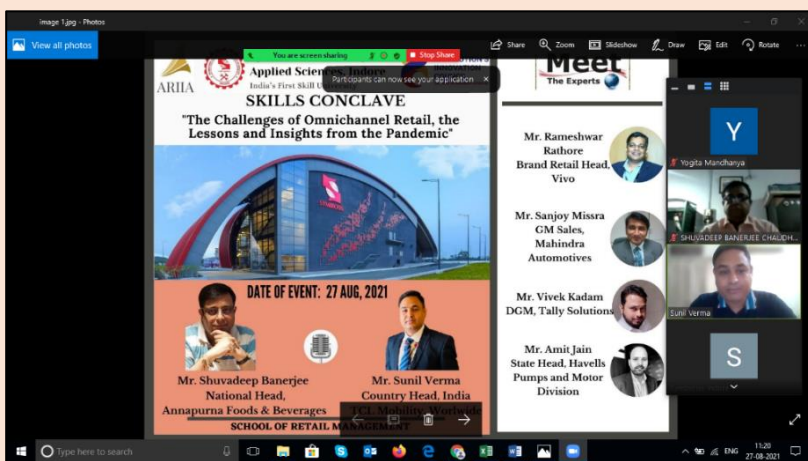

School of Banking, Financial Services and Insurance Management, Symbiosis University of Applied Sciences, Indore organized BFSI International Conclave on “Career Opportunities in Financial Risk Management” on 29th August 2021 from 11:00 AM onwards. The revered speakers of the conclave were Claudia G. Makhoul (Head Operations, Lion Mortgage Consultants, UAE), Mr. Chranjibi Panda, (Head risk & Compliance at Data Analytics & AI Wipro limited), CA Ashok Kumar Shivhare (AVP-Credit risk, HDFC Bank limited), Mr. Sourabh Gupta (AVP Corporate Credit, Kotak Mahindra Bank limited) and Dr. Sharad Mittal (Head - Credit, Risk and Policy, Satin Housing Finance Limited).

The conclave was well articulated by Dr. Navdeep Barwal. He started with his introductory remarks on the Symbiosis University and emphasized that this University features as the first Skill University in India and has a vision to create a world-class environment of learning from expert faculties and working professionals to obtain knowledge and skills relevant to industries and useful to societies. School of Banking, Financial Services, and Insurance Management are one of the key schools of the University which has been set up to train future banking, finance and insurance professionals having relevant skills. As a part of teaching methodology, the university conducts various practical and skill sessions so that students gain experiential learning and they become job-ready. Later, the welcome address was given by Dr. Charudatta Pathak (Hon'ble Vice-Chancellor of Symbiosis University of Applied Sciences, Indore). He welcomed all speakers and motivated students to comprehend the global perspective from the Conclave. The event was well coordinated by Dr. Navdeep Barwal, Dr. Kapil Shrimal and Dr. Sunil Kumar.

CONCLAVE

The Challenges of Omni Channel Retail, the Lessons and Insights from the Pandemic

School of Retail Management organized a Skills Conclave on 27th August 2021, on the theme entitled "The Challenges of Omni Channel Retail, the Lessons and Insights from the Pandemic". The session started with an inaugural address by Hon'ble Vice-Chancellor Sir, Dr. Charudatta Pathak. The session was presided over by the keynote speaker Mr. Sunil Verma, Country Head, Indian Subcontinent, TCL Communications and Mr. Shuvdeep Banerjee Choudhury, National Head, Annapurna Foods & Beverages. Omni Channel is the new buzzword in the world of the Retail Industry. The students were educated about the challenges and problems in carrying out the Omni Channel of undergoing any business venture. The speakers shared their real-time experiences about the lessons learned during the pandemic. The session was further followed by a Panel discussion from Industry experts. The panelist involved Mr. Rameshwar Rathore, Brand Retail Head, Vivo, Mr. Sanjoy Missra, GM Sales, Mahindra Automotive, Mr. Vivek Kadam, DGM-partner capability (Training), Tally Solutions, Mr. Amit Jain, State Head, Havells India Limited, who discussed the present and future global scenario of omni channel. The panel discussion was convened and moderated by Dr. Siddharth Bajpai, Director, School of Retail Management and coordinated by Dr. Yogita Mandhanya, a faculty member of the School of Retail Management. The panel discussion was followed by a workshop on Experiential Learning.

WEBINAR CONNECTS

Choosing the Right Career

On the 5th of August 2021, Symbiosis University of Applied Sciences, Indore under the aegis of School of BFSIM, organized an online webinar on “Choosing the right career”. The keynote speaker was Mr. Praneet Singh Sisodiya, Director of Bwise Solutions Pvt. Ltd. and Getpro Solutions Pvt. Ltd. Mr. Sisodiya actively interacted with students and asked them whether they were still confused about their career choices. Gradually, he then explained the students the dilemma of choosing the right career and how we can overcome this by taking the first step towards the right career by creating “self-awareness” which involves our values, interest, needs, skills, and strengths. He prescribed a 5 step formula- gathering information, observing JD, identification of aptitude & abilities, knowing one’s personality type, and shortlisting the best career choice. For better understanding of students, he portrayed the concept of “SMARTER GOALS” and educated

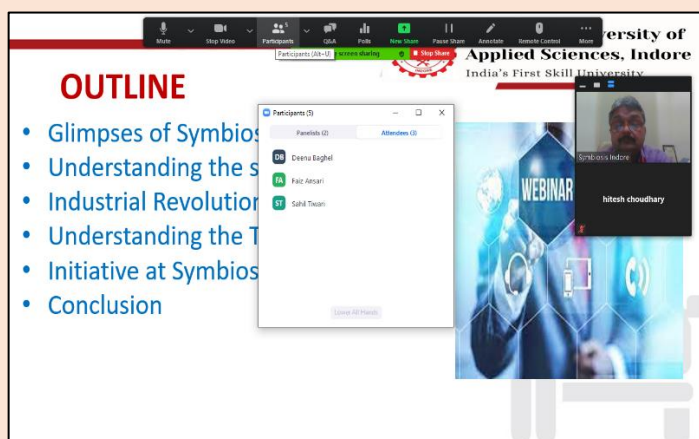

them to choose career goals accordingly. Focusing on research and planning on various career fields he notified various social media sites and web portals like Google, LinkedIn and inspired them to prepare for their dream job.

In the end, Mr. Sisodiya has answered the queries of students. The session ended with a vote of thanks by Dr. Navdeep Barwal, Deputy Director of SBFSIM. The webinar was coordinated by Dr. Sunil Kumar, faculty of SBFSIM & Aditi Saxena, student of BBA-BFSI.

WEBINAR CONNECTS

Emerging Trends in Engineering and the Role of Mechatronics

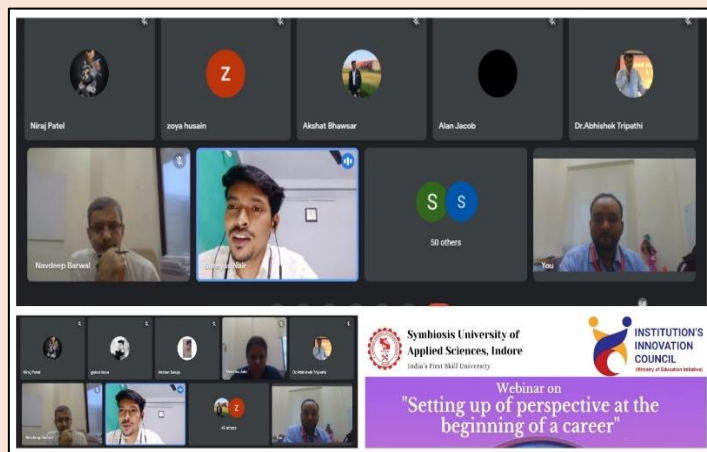

The series of the webinar was conducted by Dr. Sunil Anand, Asst. Professor (I/C HOS), School of Mechatronics Engineering for engineering aspirants on Wednesday and Saturday. During the webinar, students were informed about the emerging trends in engineering and the role of Mechatronics in the contemporary times.

Setting up of Perspective at the Beginning of a Career

A webinar was organized on 31st July 2021 by the School of BFSIM on the topic, "Setting up of perspective at the beginning of a career". The objective of the webinar was to make students ready for the upcoming internships and setting up the right perspective for the future. The resource person for the workshop was Mr. P. S. Shreyas Nair, Recruiting Senior Specialist, J. P. Morgan (India). Dr. Navdeep Barwal, Deputy Director, SBFSIM introduced the speaker to the audience. Mr. Nair started the session by emphasizing various points which students should take into consideration while doing internships or their initial jobs. He listed many skills which are of utmost importance at the beginning of the career. Students found the session interesting and raised a lot of queries. The session was concluded with a vote of thanks by Dr. Abhishek Tripathy, Director, SBFSIM.

WORKSHOPS

Income Statement Analysis

A workshop was organized on 7th August 2021 by the School of Banking, Financial Services & Insurance Management on the topic "Income Statement Analysis". The resource person for the workshop was Dr. Abhishek Tripathi, Director, School of Banking, Financial Services, and Insurance Management. He explained to students the various terminologies of the income statement. He also briefed about the various ratios and their application for a professional. More than 10 ratios were demonstrated. There were 81 participants in the workshop. The session was very educational and enlightening for the students. The event was coordinated by Dr. Sunil Kumar, a Faculty member of SBFSIM.

The poster features the Symbiosis University of Applied Sciences logo at the top left and the Institution's Innovation Council logo at the top right. The main title is "Online workshop on 'Income Statement Analysis'". Below the title is a photograph of Dr. Abhishek Tripathi speaking into a microphone. The date and time are listed as "Date: 07-08-2021" and "Time: 11:00AM". The registration link is provided at the bottom: "https://forms.gle/PFYJnKUkGxjqmwRo6".

Intellectual Property Rights

A One-Day Online Workshop was organized on 13th August 2021 by the School of Banking, Financial Services and Insurance Management on the topic "Intellectual Property Rights". The speaker of the session was Mr. Vikas Asawat, Registered Patent and Trademark Attorney (GOI). He gave extensive knowledge on concepts, procedures, and registration of Copyrights, Patents, and Trademarks. Students felt enthusiastic as they realized the exact procedure of bringing their concepts on IPR registration and own the Intellectual Property Right.

The students learned the process of ideating and properly structuring the ideas. Students were given various formats for copyrights, trademarks, and patent filing. The workshop was well organized by Dr. Ajit Singh Tomar & Dr. Sunil Kumar, faculty members of the School of BFSIM. Learnings from the workshop were well appreciated by the students.

WORKSHOPS

Financial Statement Analysis

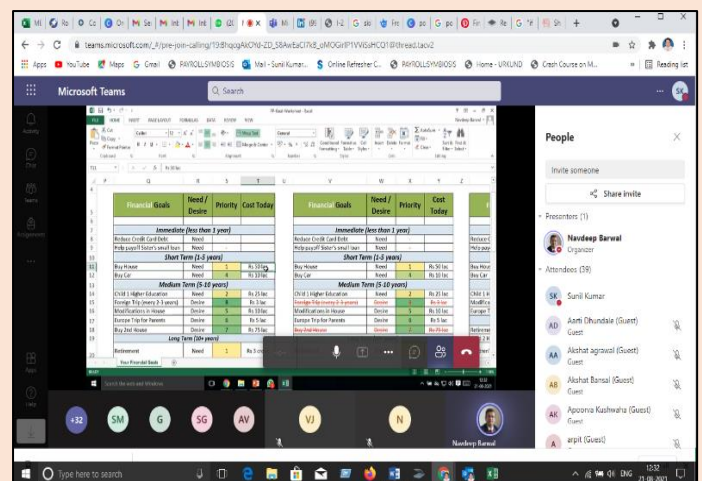

A workshop on Financial Statement Analysis was conducted on 14th August 2021 by Dr. Neetika Jain, Assistant Professor, School of Banking, Financial Services, and Insurance Management. Various tools of Financial Statement Analysis were discussed in the workshop. Participants did the hands-on practice of some tools as well. Also, basic concepts of financial statements and their contents were briefed by the speaker. Participants were very interactive and the session was very fruitful for everyone.

Personal Financial Planning

School of BFSIM conducted an Online Workshop on "Personal Financial Planning" on 12th August 2021. The workshop was conducted by Dr. Navdeep Barwal, Dy. Director, SBFSIM. The workshop started with some intriguing questions to the audience about their financial life and goals. Dr. Barwal highlighted the steps with which a common man can become wealthy by adopting some financial disciplines. He emphasized on savings, right investment options, risk levels, right insurance cover, etc. The workshop with full of practical exercises, was thoroughly engaging. The participants also learnt the concept of short, medium and long-term goals and ways of approaching these goals with the right set of investment options. The audience highly appreciated the workshop.
