WORKSHOP

Application of Spreadsheet for Decision Making

A workshop was organized on 3rd July 2021 by the School of Banking, Financial Services and Insurance Management on "Application of Spreadsheet for Decision Making." The resource person for the workshop was Dr. Sunil Kumar, faculty member of School of Banking, Financial Services and Insurance Management. He explained to participants the various functions used in Excel for data editing, cleaning, visualization, summarization and also briefed how these functions can be used for decision-making. He used six case

studies and two data sets for demonstrating how these functions help in decision-making. The session was very enlightening for the participants. The event was coordinated by Tulika Rana and Shivang Sharma, MBA I year students of SBFSIM.

New Joining

Dr. Mateen Shaikh has joined as an Assistant Professor in School of Digital Media Marketing on 9th July 2021.
